

# MACQUARIE PARK M E D I C A L C E N T R E

Macquarie Park Medical Centre is a Mixed Billing practice for patients with a valid Medicare card. Independent practitioners vary their fees depending on the type of consultation and the services provided. Most practitioners offer bulk billing for eligible patients, including pensioners, healthcare cardholders, and children under the age of 16.

## Standard Consultation

This appointment type is for the discussion of 1-2 simple matters.

## Long Consultations

This appointment type is for the discussion of 3-4 matters.

## Prolonged Consultation

This appointment type is for the discussion of 5 or more matters.
